Acting Essentials

This is the perfect class for beginning to intermediate students who want to gain the basics of what's required to be an actor on film.

This is a great chance to hone your craft, regardless of your experience level. Learn how to analyze scripts, develop characters, and practice the fundamentals of on-camera acting through improvisation, scene study, monologues, and more.

Casting Opportunities

Our unrivaled Classes and Workshops provide our Acting Students of all levels extraordinary Casting Opportunities in Movies, TV, Internet and highly-paid Commercials.

Writers & Directors - who take them vastly improve their existing Scripts and advance their skills to work with Actors toward superior performances. Their collaborative work often leads to highly original and successful short and feature-length Films, TV and Internet-based Projects of all kinds.
